“ We didn't realize it until this very moment that dad, Ray Mixon's funeral which was March 4, 2002 is exactly 18 years ago to the very day of moms funeral which is March 4, 2020. If noticed they passed just 2 days apart 18 yrs ago. That is true love and amazing love. We miss them both.
With love son and daughter Donna and David.

“ We are so sorry to hear of Aunt Ann's passing. The Clement Family loved Aunt Ann so much. We always loved to hear that Aunt Ann and her family were coming to Arkansas for the Miller Reunion. My mom, Shelby, loved the trips with Aunt Ann and Aunt Jewell to the casinos. We have lots of good memories of the Mixon family. So thankful that ya'll came to the reunion this past year. We all loved watching the video, it brought back such good memories. Love to David, Doug, and family.

Love,

“ Don and I, and our kids and grandkids, are very sorry to hear of Aunt Ann's passing. She was the baby sister in the very large family of Charles Shelby Miller, Sr. and Minnie Finley Miller (Grandma and Grandpa Miller) in Lonoke, Arkansas. Grandma Miller started the tradition, I believe, of our annual Thanksgiving Miller Dinner - first at Grandma's house out in the rice fields of Lonoke, and then in the VFW Hall in Lonoke, and then more recently we have been blessed to be able to meet at a church in Lonoke. Relatives come from everywhere and Uncle Ray and Aunt Ann would make the trek up from Texas to be there and it always meant a lot to the family that they did! Aunt Ann was always the most fun, lovable, exciting and excitable Aunt at the Reunion every year, and all of my kids and grandkids have said how much they will miss her being there each year. Her big smile, her laughter, and her big hugs. We all owe her a debt of gratitude, too, for her devoted attention each year to getting a guest list signed, and pictures made of each family unit, so that she could add them to her picture albums... even though family members protest at pictures being taken, we all love to sit and go through the albums and revisit all the reunions before...and we are grateful that she insisted each year that we do that! We know that Aunt Ann's light was bright in Texas too and I feel certain she is so loved by all who knew her. Don and I will always be grateful, too, for Aunt Ann and Uncle Ray "taking care of us" in Euless, Texas when we were newlyweds and first stationed at Shepard AFB. They were always available to give us advice, offer hugs and help. Uncle Ray even helped Don change out the motor in our Chevy Malibu one weekend and Aunt Ann shared her wisdom and insights with me, as well as lots of yummy southern cooked food. She and Uncle Ray were a hoot together and Don and I will always be grateful for the time we got to be with them. Our love to David, Doug and Donna, and all who loved our Aunt Ann!
