“ Charlie you will/are missed by so many. To me you were H/Big guy but more than that you were apart of my family. Many years on our silly phone games and to have never personally met...yet you were/are so much a part of my life. You introduced me to some humorous musical artist. I've gotten lots of much needed laughter so I thank you with all my heart. Thank you for having our backs and thank you for all the time you gave us. I hate goodbyes so I wont be saying that. Instead.. I'll see ya around Big guy. And to your family.. THANK YOU so much for sharing Charlie aka H with us all. God bless you and I am so very sorry for your loss. Hugs and prayers to you all.
