“ I was Patsy's roommate at Texas Wesleyan where Patsy and George met. We stayed in touch for years after our freshman year . Patsy and George were so beautiful together and Patsy was so in love with him. I was sad to hear of his death but know that his pain is now over and his spirit will live on. “ You my dear man, were such a sweet soul!!!
I loved the way you took care of Patsy. First inquiring about funeral arrangements for her mother in order to make it less painful for Patsy as well as expedite the process.
I loved the way you looked at Patsy and the way she looked at you. I loved seeing you two hold hands. I loved knowing that no matter what, you would do everything you could to assure she was taken care of after you were gone.
You are a great man it was obvious in all of our conversations and it shows in the eyes of your family. You have left a legacy of love. I am so glad I had the pleasure of meeting you. You definitely made a lasting impression. You will be missed.
