“ As a employee of Kroger, Greg was a stickler that you said hello to him. Otherwise he felt ignored. He was always giving advice on sticking produce and how things should look to the customer. I'll always remember and will miss you.

“ Greg was a dear man of high integrity who always cared about those around him. I will miss him so much - he was a bright spot in whichever store he managed. Condolences and Prayers go out to his family who he loved with all of his heart.

“ I thank God often for the day in 2014 that Greg followed my 82 yr old mom home from Kroger so he could carry her groceries in for her. Little did we know it was the beginning of such a friendship that would be like family! Rest In Peace my dear sweet friend you work on earth is done! Lori, Jacob, Jared and Bliss hold on tight to your memories and may God bless you and bring you comfort and peace in the difficult days ahead. We love you all!

“ Mr. Jordan was always welcoming when I would fill in at his store as a Recruiter. Looking for a picture of him and my daughter Myah at dinner with boss . Also Mr. Jordan and I played words with friends . Great man will missed but not forgotten.
