“ Jesse was one my very best childhood friends We spent countless hours together, hurting, fishing and playing sports. His mom was a second mom to me and mine to him. We grew apart in our adult lives, but he has always been in my heart and will always be. Lord I thank you for placing Jesse in my life and I pray you will have a very special place for him in your kingdom, and please watch over and comfort his family as they prepare to place him in your internal care.
