“ Kathy or Morb as I called her has been a dear friend, co-worker and second Mom to me for 15 years at Texas Mutual. The loss of her is heart breaking but I know where she is as she shared her love of Jesus with me often. She kept us laughing with her funny hair salon stories for her "difficult" hair, royal family gossip and Sammy and Muffin stories. Oh how she loved her pups, especially her "adopted" pup Sammy! She was kind, smart, giving and loved her family above all. She shared a good Joe, John or Ed story every day and nothing gave her more joy than sharing her grandbabies pictures and stories with us. She loved being a Grammy and loved her daughter in laws too! I will always remember Kathy driving her green Zoom Zoom car in flip flops and arriving to the office to choose which pair of "real" shoes she was going to wear that day. She had dozen of pairs in her office drawers and she always had the right one to wear! She was kind and caring and respectful and I am going to miss my Morb so much! I know she is in Heaven and was greeted by Sammy and her beloved Dad who she spoke so lovingly of. I will miss her greatly, she was one of a kind and a true friend. My deepest condolences to your family.

“ Kathy was such a beautiful person, inside and out. She was a co-worker and friend that I sat next to for several years. She was always friendly, always listening, and always had kind words. I know she fiercely loved Joe, the boys, the grandkids and Sammy. She will be missed. My prayers for her family, and friends.

“ My heart is broken at the loss of my friend and coworker Kathy. We go back 17 yrs. Our memories will get me through the sad days. I will miss her smile, her laugh, her updates of her sons, grandchildren and pets and all the joking/laughs we had. I'll never forget the day she “found” little Sammy. We teased her telling her she just stole some little boys puppy. . Kathy made sure to clarify she found him and he found her. What a great life she gave to him. Sammy was her world. I'm sure she ran to him at the gates of Heaven. 😊. Kathy's heart was huge. The love she had for everyone showed & we all loved her. RIP Morb. Watch over us all.
