“ From the Covey family, Diane Debbie Lynn and David. We're very sorry for your loss. We've known the lashes for many many many years our dad and Mr. Lash work together at diamond shamrock. And then the company transferred to the Dallas area and most of the families transferred also. One of my memories is going to the Lash's to play back in Cleveland Ohio we used to have family visits. That's when families got together and visited and the kids played those were the good days. We just lost our dad Lynn Covey a year ago August and lost our mother Marcie December of 2017 Sadness that will never go away and such a loss of wonderful parents and friends of many years. Once again you're in our prayers and in our hearts forever. Love always the Covey kids
